Enter your login in iMPlayer

Add your Xtream Codes playlist to iMPlayer on Apple TV, iPhone or Android.

You need your XC details: server URL, username and password.

1. Open **iMPlayer** and choose **Add playlist** (or the **+** button).
2. Choose **Xtream Codes**.
3. In **Name**, type anything, for example "Home".
4. In **Server**, type `Your server URL`.
5. Type your username `Your username` and password `Your password`.
6. Choose **Save** (or **Add**) and wait for the channels to load.

> **Tip** On Apple TV, you can type with your iPhone: when the keyboard shows, a notification pops up on your phone.
